## GENERAL INFORMATION

**2018 the 2nd International Conference on Robotics and Mechantronics (ICRoM 2018) will be held in Singapore during November 9-11, 2018.**

**This prestigious event is held every year in a different part of the world. The aim of this conference is to provide a forum for the presentation and discussion of emerging industrial technologies and for professional interactions. Additionally, it serves as a conduit for channelling advanced technology to the regional industry.**
